**Keynoters Toastmasters** provides an avenue for Toastmasters to hone their speaking, marketing and presentation skills towards the goals of delivering speeches and presentations in various professional situations.

### **So what makes us different and advanced?**

You have the opportunity to test your skills with longer speeches.

You are evaluated by everyone present in a facilitation session. This means that your feedback comes from many sources which helps you understand where you can improve and make your speech awesome.

Come along to our showcase meeting on **Saturday 16<sup>th</sup> March at 9:45am in Hornsby Library** and see for yourself whether Keynoters makes sense for you.

The showcase will demonstrate several longer speech styles as used in keynotes and for training
